Every year **30,000** people in the UK are diagnosed with a blood related Cancer.

That's why from the 8th - 19th September 2012 we are cycling from John O' Groats to Lands End to raise money for Leukaemia & Lymphoma Research - the only UK charity solely dedicated to research into blood cancers.

John O'Groats to Lands End 8th - 19th September 2012

Beating Blood Cancers
